Morning Routine

Please try to ensure that your child is at school in time to be sitting at their desk ready to start work at 8.55am at the latest. The classroom doors will be open at 8.45am. Thank you.

Book Fair

We will be holding a Book Fair on 27th February to 5th March, 3.20pm - 4pm each day. If any parents would be able to help sell books please could they let the school office know.

Beech Class Bun day

Beech Class Bun Day is on Friday 1st February. Please remember to bring some money to buy cakes and buns.

PTFA Jumble Sale

Please come along to the PTFA Jumble sale at Haslingfield Village Hall on Saturday 2nd February 2-4pm. Please drop any jumble and unwanted Christmas presents to the hall on the day between 10.30 – 12 noon. No electrical items please.

Newsletter

Spring Term 2013

Issue 17 – 25th January 2013

Website: www.haslingfieldschool.co.uk

Learning and achieving together in a safe, happy environment

Cambourne Children's Centre Drop In

Samantha Stacey, the Early Intervention Family Worker and Gerry Matlock, School Nurse, will be holding a drop in for parents at Cambourne Children's Centre on Monday the 28th January 9.15-10.30am.

Top Trumps

A set of Top Trumps cards has been found. If you have lost a set please come to the school office.

Nearly New Uniform Sale!

The next Nearly New Uniform sale will be on **Tuesday 29th January, before and after school**. In addition to uniform items (which range from 25p-£2), there will also be winter coats for £5 or less and some winter accessories! Please browse the rails and bag a bargain whilst raising funds for the PTFA! Many thanks, PTFA.

School Uniform Orders

Just a reminder, the next deadline for ordering uniform online for free delivery to the school is Tuesday 29th January. Orders will be delivered to the school, individually wrapped and labelled with the child's name on Monday 18th February after the half term break.

Take care!

There have been two incidents at Babraham Primary School, of car windows being broken and handbags stolen during school pick up. Please could parents be vigilant concerning leaving valuables in sight in cars.

Under 7s Football training

Snow has delayed the launch of the new under 7s football training in Haslingfield, however, this will be starting on Saturday mornings from 9.30-10.30am at Haslingfield Rec. Training is £1 per session and is open for all year 2, year 1 and reception children. For year 2 children please contact Chris Coleridge (07910 659856 or 01223 264355) or Paul Davies (07932 649318) and for Year 1/Reception children contact Matt Queen (07771 560109).

Ash – Miss Peck and Mrs Campbell:

We have been learning about people who help keep us healthy this week. We have had a baby clinic in our role play area and written lots of prescriptions and designed medicines. We have made posters of healthy foods and foods that we should only eat occasionally. We've learned how to brush our teeth properly and ordered instructions to remind us. We've also talked about opticians, designed our own glasses and had a go at feeling and describing things while blindfolded.

- Literacy – To order a set of instructions and write some captions.
- Numeracy – Weighing and measuring

Show and Tell: Charlie and Charlotte

Birch – Mrs Lovett and Mrs Lione:

We brainstormed ways of travelling and looked at types of travelling in our topic work this week. We did a traffic survey of traffic that comes past our school. In R.E. we have been listening to the stories that Jesus told. We have heard the story of the Prodigal Son and the Good Samaritan.

- Literacy – Alphabetical order, looking at dictionaries.
- Numeracy – Recognising/writing numbers in words, tallying, block graphs.

Hazel – Mrs Stepney:

This week we have focused on writing our Magic Torch adventures. We used our senses to describe the setting and then used lots of WOW words in our stories to make them exciting for the reader. We have investigated how winding mechanisms work in preparation for making our own models with a winding mechanism.

- Literacy – To use a plan to write a story
- Numeracy – To estimate measure and compare weight. To read a scale.

Show and tell – Alice, Lucia, George C, James

Friend of the Week

Harry Moffat, Ted Lonergan, George Jukes, Sarah Harrold, Pippa Gledhill, Euan Kenny

Hawthorn – Miss Wernham:

This week we have finally finished making our orreries and they look amazing! They will be extremely useful in class during activities about the Solar System. We have also begun to find out more about the Moon and next week will be looking at why the moon appears to change shape. In Art we have made beautiful pastel sketches of the sun, seen from different perspectives.

- Literacy – To retell a fantasy story in a comic strip.
- Numeracy – To halve and double numbers up to 1000, including decimals. To investigate odd and even numbers.

Oak – Mrs Nussey and Mrs Robichaud:

In literacy we have been using connectives, drama and using first person, second person and third person in our writing. In numeracy we have been doing the bracket method, doubling and halving to multiply and divide. Some of us have been multiplying decimals. In science we are using fruit to model the orbits of the earth and moon around the sun.

By Pippa Gledhill

- Literacy – To write a non-chronological report
- Numeracy – To multiply using grid and bracket methods.

Beech – Mrs Creamer:

We have continued to enjoy the Dr Xargle texts about an alien's perspective of life on earth. We have been thinking about what it would be like to go on a space mission to Mars and what equipment we would need for the conditions there. In PE we are developing ball skills in the context of netball.

Please remember to encourage your child to learn their times tables, square numbers and square roots to 12 x 12 as well as read every day and record it in their Reading Log.

- Literacy – To write a hybrid text
- Numeracy – To compare fractions.

Hawthorn Class

Please could the children bring in empty bottles with labels still attached. We need the following sizes; 1 litre, 500ml, 250ml, 100ml. Thank you
