World Book Day

We are celebrating world book day on Wednesday 6th February. The theme is Garden Bugs and Beasties. Children are invited to dress up and there will be prizes for the best costume in KS1 and KS2.

Girls Football Match

On Thursday the girls football team went to Steeple Morden to play a football match. The team was: Lily, Lucy, Rosie, Francesca, Kathryn, Fiona, Millie, Sophie and Maddy. The score was 1 all, Kathryn scored our goal.

About two minutes before full time, Steeple scored. ☹️

We all played really well and even saw our old chum Mrs Cunningham! 😊

By the girls football team.

Hornets Match

On Tuesday 26th February, the Hornets football team played Foxton and lost 1-0 although on the 21st, the Hornets played Fowlmere and won 7-0. The team for both matches was Thomas W, David J, Nick M, Joe B, Euan K, Toby P, James E and Sean B.

Ash – Miss Peck and Mrs Campbell:

This week we looked at the story of Hansel & Gretel. We turned the 3 Bears cottage into the Witch's Gingerbread House and decorated it with sweets. We made our own magic potions like the witch and wrote about ingredients and quantities. We drew and labelled maps so Hansel and Gretel wouldn't get lost in the woods again and enjoyed laying trails for our friends to follow.

- Literacy – Magic Potion recipes
- Numeracy – Capacity

Show and Tell: Jasper, Harry, Logan

Birch – Mrs Lovett and Mrs Lione:

Our new topic is 'Buildings'. We have begun by looking at different types of homes and describing them. We have discovered that there are many different kinds of homes and we will be looking at the materials they are made from in our Science.

- Literacy – Writing stories with familiar settings.
- Numeracy – Solving addition and subtraction problems.

Hazel – Mrs Stepney:

This week we have continued to write instructions. We have had fun cooking (it's a secret what we made!) and then wrote instructions, having a go at adding adverbs and adjectives.

In numeracy we have been adding and subtracting multiples of 10 to 2, 3 and 4 digit numbers and using our knowledge to then add and subtract other numbers.

The children have produced some lovely drawings of buildings in the village, drawing on the pencil techniques they used last week.

- Literacy – To write instructions. To use adjectives and adverbs. To vary sentences.
- Numeracy – To add and subtract multiples of ten.

Show and tell – Sian, Max, Danny, Dylan

Friend of the Week

Jasper Kyne, Hannah Farrell, Ethan Honeycutt, Marta Waldoch, Nick Wingate, Joe Benson.

Hawthorn – Miss Wernham:

What a busy and exciting week! We have focused mainly on our advertising project; working in teams to promote holidays to planets in our solar system, as well as new inventions to take with you on your journey! In science, Y3 have investigated how their shadows change length and position, while Y4 have explored whether sounds can be heard more clearly in solids, liquids or gases.

- Literacy- To work in teams to produce adverts for a space travel agent.
- Numeracy – To add and subtract multiples of 10 and 100 from 3 digit numbers.

Oak – Mrs Nussey and Mrs Robichaud:

We have been writing persuasive text, for working towards making a leaflet for either a trip to Wimpole or selling Earth to Dr Xargle.

We have been using the number line and column method for subtraction. On Friday, we were measuring angles. We are continuing with our 3D maps including rivers and towns on them.

- Literacy – To write persuasive text.
- Numeracy – Subtraction.

Beech – Mrs Creamer:

We have been thinking about how our high streets have changed in the last 60 years. We have drawn street scenes to show the difference. We have begun to find out about the Fish Fight campaign.

- Literacy – To understand area and perimeter.
- Numeracy – To understand the effect of imagery in poetry.
