Learning and achieving together in a safe, happy environment

7UP

7UP invite Year 6 children to join them for outdoor games and sports at Haslingfield Methodist Church on Monday May 13th from 6.30-8pm.

Tickets for Haslingfield Little Theatre's May Production

Next week, on 16, 17, 18 May, Haslingfield Little Theatre will be performing *Losing the Plot* and *Not Bobby* - two comic plays by local writer, Nick Warburton. The plays will be performed at Haslingfield Village Hall, at 7.45 p.m. Tickets are £8/£5 concessions (no concessions Saturday), and are available from Haslingfield Village Shop, Country Kitchen and on: 01223 872007.

Messy Church: Friday 17th May, 3.30pm.

Come and join us for refreshments and lots of different craft activities and games as well as a short time of worship. The theme this month will be Energy (Pentecost).

Happidojo

Happidojo provides judo training in the South Cambs area. All coaches are nationally accredited, insured and CRB checked. Training occurs on Tue and Thu evening:
5:15-6:00pm 6-8yo
6:00-7:00pm 8-14yo
7:00-8:00pm open

Location: Shelford Rugby Club CB22 5JJ (opposite Scotsdale's Garden Centre)

Web: <http://www.happidojo.com>

Contact: 01223 870077

Email: info@fitnessworks.co.uk

Judo is ideal for fitness training and conditioning. Feel free to drop in for a free trial session and see what you think.

Ash – Miss Peck and Mrs Campbell:

This week we have been thinking all about vegetables. We read the story 'Oliver's Vegetables' and wrote about our own favourite vegetables. We chopped up some lovely fresh vegetables to make a salad and planned a healthy meal for a friend. In numeracy we have been learning about shape; describing shapes and recognising them all around us.

- Literacy – To describe a favourite vegetable
- Numeracy – 2D and 3D shapes

Birch – Mrs Lovett and Mrs Lione:

We have been looking at poetry this week in our literacy. We read poems about minibeasts and then worked in groups to perform our poems to the rest of the class. Then we wrote our own minibeast poem thinking about good adjectives we could use to describe our minibeast. In art and science we drew and painted minibeasts. Finally we all worked together with ideas of how to make an interesting display of our lovely minibeast poetry work.

- Literacy – To write poems based on a given structure.
- Numeracy – To know the addition and subtraction facts for numbers up to 9.

Hazel – Mrs Stepney:

This week we have been completing assessments. We have also been finding out about Nam Karan and how Sikhs welcome babies into the world. We made some traditional Sikh biscuits and tried a Sikh pudding that would be eaten at celebrations.

In science we have found out what owls eat by dissecting owl pellets, finding and identifying tiny bones. It was very interesting!

- Literacy and Numeracy – To complete assessments.

Show and tell – Max, Danny, Dylan, Chloe

Hawthorn – Miss Wernham:

In science this week year 4 have dissected fruit and discussed lifecycles of plants that bear fruit. Year 3 have looked at the parts of plants that we eat and designed an investigation about the growth of seedlings. In maths today we have enjoyed consolidating our knowledge about position and direction by making treasure maps.

- Literacy – To improve composition of writing by experimenting with powerful adjectives and adverbs.
- Numeracy – To understand and use compass points. To know that a right angle is 90 degrees.

Oak – Mrs Nussey and Mrs Robichaud:

This week the year 4's and 5's did assessments and also a bit of science on our heart. We learned how to find your pulse rate and that the more exercise you do the faster your heart pumps. Also in Art we made Greek temples for our Greek project.

By Rhys Ansell-Jones and Katherine Beeby

- No learning objectives due to assessments

Beech – Mrs Creamer:

In PE we have been learning tactical skills to develop team play in rounders. We are getting better at working out where the ball needs to get to and how to get it there quickly. We have used our ICT skills to find out about a day-in-the-life of a Benedictine monk. We are really looking forward to our Ely Cathedral trip now!

- Literacy – To revise grammar skills.
- Numeracy – To revise area and perimeter.

Friend of the Week

Louise Horobin, Oliver Zwierzanski, Olivia Wynne, Danny Queen, Jay Evans
