Breakfast Club

If you are interested in using the breakfast club next term please can you contact the school office before 18th June to confirm your booking.

Thank You from Nearly New!

The Sale on 6th June raised **£27**. 'Thank You' to everyone who donates, browses and/or purchases. This brings the total, so far this term, to **£119!** The next sale is scheduled for Thursday 4th July, when items of CVC uniform alongside all usual items will be available. Please keep donating. Many thanks, PTFA.

School Uniform Orders with Free Delivery to School

The last order date for uniform, with free delivery to school before the end of term, is 28th June. Items will then be delivered on Friday 19th July. Any orders placed after 28th June will be delivered on Tuesday 3rd September. Uniform can still be ordered for delivery to home addresses and delivery is free if the order is more than £40.

Summer Term 2013

Issue 33 – 14th June 2013

Website: www.haslingfieldschool.co.uk

Learning and achieving together in a safe, happy environment

School Lunches

Next week the Thursday menu (Sausages) will be served on Friday 21st June as Thursday 20th June will be the Seaside Lunch.

PTFA Request

The PTFA are looking for a small freezer to borrow for the ice cream stall at the summer Fayre. If anyone can help, please contact Mrs Stafford on 871393. Thanks.

Scholastic Book Club leaflet

Your child should have received a Scholastic Book Club leaflet this week. Please could we have any orders to the school office by 28th June. Please make cheques payable to 'Scholastic Ltd'.

Messy Church: Friday 21st June, 3.30pm.

Come and join us for refreshments and lots of different craft activities and games as well as a short time of worship. This will be the last Messy Church until September. The theme this month will be The Body.

7UP

This is a group held at the Methodist Church for young people from year 7 upwards. YEAR 6 are welcome to come on Mondays, 6.30pm – 8pm. The last session for this term will be on Monday July 8th.

Comberton Crusaders

A new Soccer Centre for Girls aged 4 - 9 and Boys aged 4 - 7, will commence on Saturday 15th June 9 – 10am with 6 **FREE** Sessions at Comberton Village College Astro Pitch. If interested contact Jennie Girling on 01223 263856, 07917 184435, jengirling@hotmail.co.uk, www.combertoncrusaders.com

Support for Families with Special Educational Needs or Disabilities.

The families information service provides online information for all families with Special Educational Needs or Disabilities (SEND) at www.cambridgeshire.gov.uk/send. Confidential and impartial advice and support can also be found the Parent Partnership Service at www.cambridgeshire.gov.uk/pps. There is also an independent information, support and involvement network run by parents for parents (Pinpoint) at www.pinpoint-cams.org.uk.

Ash – Miss Peck and Mrs Campbell:

This week as part of our minibeast topic we have been learning about snails. We have read non-fiction books and used the computers to find out some facts about snails. We looked at Matisse's famous 'Snail' picture and used it as our inspiration to produce our own. We also made clay snails and used magnets to race paperclip snails! We really enjoyed sports Day and all did so well competing in our events.

- Literacy – Non-fiction books and research
- Numeracy – Measuring snail trails.

Birch – Mrs Lovett and Mrs Lione:

We have been reading the story of 'Rainbow Fish'. We thought about a party under the sea in literacy and wrote invitations to our party. We have also begun a frieze of Rainbow Fish with a background of bubble printing. The printing was great fun but very messy! Thank you for all the seaside photos that the children have brought in – we have enjoyed sharing them. We had a great time taking part in our Sports Day too – it has been a really busy week.

- Literacy – Report/Story writing
- Numeracy – Telling the time to o'clock and ½ past.

Hazel – Mrs Stepney:

This week we have been exploring adventure stories and thinking about the vocabulary we need to make our writing exciting. We are going to be writing our own adventure stories.

Our topic this half term is 'Off to the Seaside!' We have been researching what holidays were like in the past and will be comparing them to the holidays we take today.

- Literacy – To use adventurous language in writing.
- Numeracy – To make amounts with money and to give change.

Show and tell – Alice, Lucia, George C, James

Hawthorn – Miss Wernham:

We said goodbye to Miss John this week and have really enjoyed her lessons; especially on Wednesday when we made healthy cakes in Science! In swimming lessons, we are working on our water-confidence and water-safety skills, while refining some of our swimming strokes.

- Literacy – To write newspaper reports based on Greek Myths.
- Numeracy – To know and use g and kg, ml and l, cm and m. To read numbered and partially numbered scales accurately.

Oak – Mrs Nussey and Mrs Robichaud:

In literacy this week we have been examining fables and writing our own. In numeracy we have been doing subtraction. In Art we have been painting Greek water colours.

- Literacy – To write our own Fables
- Numeracy – To understand subtraction

Beech – Mrs Creamer:

We have continued our work on 'Kensuke's Kingdom' and used our knowledge of fractions, decimals and percentages to begin to design a monastery. We have worked in small groups to rehearse scenes for the production. Our illuminated letters are now on display in the main corridor. They look spectacular!

Any pupil that has not yet brought in a candle can they please do so ASAP.

Payment for the Ely Trip should be sent to the school office as soon as possible.

- Literacy – To imply so that readers infer.
- Numeracy – To apply our knowledge of fractions, decimals and percentages to a design project.

Friend of the Week

Jake Chrzanowski-York, Thomas Gibson, Chloe Roberts, Ali Campbell.
