

Haslingfield Endowed Primary School

Diary Dates:

Tue 23 – Leavers Lunch

Tue 23 – Year 6 Leavers Assembly 1.45pm

Tue 23 – End of Term

Tue 3 Sep – Staff Training Day

Wed 4 Sep – Start of Term

Letters sent out to parents this week:

- Year 6 SATs results
- Beech Class Deep Water Swimming

Online Payment System

As from 3rd September 2013 we are excited to be introducing 'SIMS Agora'. This will provide parents with a payment option that is accessible 24 hours a day, 7 days a week. This is an easy, convenient way to make payments with a debit or credit card. Further details will be given in September. Dinner money from September will be £2.10 per day.

Free School Meals

If you are currently receiving free school meals, these will continue automatically in September and you do not need to reapply.

Have a Great holiday!

We still have two more days of school next week but I would like to wish you all a happy summer holiday and we can all look forward to another great year starting on Wednesday September 4th.

Summer Term 2013

Issue 38 – 19th July 2013

Website: www.haslingfieldschool.co.uk

Learning and achieving together in a safe, happy environment

Olivia

Well done to everyone involved in the Year 6 production of Olivia. It was a fantastic show and the children worked really hard to learn their lines and get ready for the performances. Thank you also to Mrs Creamer, Mrs Thomson and Chloe for all their hard work.

Football Cup Final

Well done to all the boys who played in the Cup Final this week against Foxton. They all played really well and it was a very close match, but unfortunately they just lost on penalties. Thank you to everyone who has worked hard with the football teams this year.

Summer Soiree

We are very grateful to all the children and adults that helped with our Summer Soiree; yet again this has been a wonderful success.

Glasses Found

A pair of glasses with tortoiseshell frames has been found in Beech Class. Please come to the office if you think they are yours.

Goodbye and Good Luck

We would like to wish Mrs Robichaud, Mrs Heap and Mrs Burton all the best as they leave to start their new roles from September.

Ash – Miss Peck and Mrs Campbell:

This week we have finished our dinosaur topic. We wrote instructions about how to grow a dinosaur and went on a dinosaur number hunt. We harvested all the vegetables we planted last term and then prepared and ate them. We grew potatoes, lettuces, carrots and broad beans. We are very proud of our green fingers!

- Literacy – To write a set of instructions.
- Numeracy – To recognise and add numbers to 20.

Birch – Mrs Lovett and Mrs Lione:

We had a beach party this week! We used maths to solve problems and measured weight and capacity. We made posters and followed a recipe to make a drink. We had lots of fun and did lots of learning too! We have had a lovely end of term but are very excited that it will soon be the holidays. We hope that you all have a happy and safe time.

- Literacy – Design a poster. Write a recipe.
- Numeracy – Revise weight and capacity.

Hazel – Mrs Stepney:

This week we have particularly enjoyed swimming! We have been having relay races and working on breaststroke. In literacy we have read a poem about the seaside and written our own in response to it. We thought about the things we have done at the seaside and imagined other things we would like to do. Mrs F and I have had a great year with Hazel Class, thank you to all parents for their support throughout the year. We hope you all have a relaxing holiday and look forward to seeing you in September.

- Literacy – To write a poem about the seaside.
- Numeracy – To read and plot co-ordinates. To follow a route.

Hawthorn – Miss Wernham:

We had a fantastic time on Tuesday on our trip to the Fitzwilliam. Even though it was a very hot day, the children were enthusiastic and super ambassadors for the school. We have rounded off our swimming lessons with races and games, although please ensure the children have kits on Tuesday as we may still get the chance to swim then too!

- Literacy – To research information about Greek artefacts.
- Numeracy – To find fractions of amounts and quantities. To sort numerical data in Venn diagrams.

Oak – Mrs Nussey and Mrs Robichaud:

In Oak class we have done a maths Olympiad, making fruit smoothies on a hot day, using measures, proportion and scale. On Monday we watched the fabulous KS2 play of Olivia. We also did a long and quiet swimming lesson! On Tuesday we went to the outstanding Fitzwilliam Museum and the Museum of Classical Archaeology. The marble ancient Greek statues were awesome. In literacy we finished writing our Ancient Greek Legends.

By Maisie Buck and Emily Norman.

- Literacy – To write a legend.
- Numeracy – Scale, proportion and measures.

Beech – Mrs Creamer:

What a performance! What a show! We hope you thoroughly enjoyed 'Olivia' – we have loved preparing it for you. We have started our Sex and Relationship Education (SRE) unit in PSHE by learning about changes that occur during puberty. In maths we have been developing our understanding of the properties of triangles.

- Literacy – To write an effective detailed description.
- Numeracy – To understand Pythagoras' Theory.

Reminders : Y5s will be joining Y6s at CVC on Monday morning for deep water swimming. Please send in the permission slip! Please also return the slip acknowledging receipt of your child's report.
