## Pupil Committees/Group membership

**School Council** - *Twelve elected children represent all classes and all children – sharing their views to bring about improvement in the areas valued by children. They meet approximately once a month and minutes are taken in all meetings.*

**Eco Schools Committee** – *Children working alongside adults to improve the school’s environmental footprint.*

**Health and Safety Committee** – *Children actively monitoring and reporting on school resources and systems, help maintain a high level of safety around the school.*

At Haslingfield School we work with tutors, teachers and coaches to provide the very best opportunities for children to develop new skills and extend their talents. This high standard of provision gives our children the very best opportunities to excel now and in their future studies and professions. For many of these extra-curricular lessons **National Certificated Examinations** can be obtained.

## Competitions

During the year many children choose to compete internally or through interschool competitions; our school seeks to meet this expectation, locating and creating opportunities.

## Performances

We recognise the benefits, to a child’s personal development, associated with performance. While creating these opportunities within the curriculum the school and our partners also extend this to other occasions and events.
